

*There's something about birds—
their beauty? their grace? their tenacity?—
that pierces the heart and spurs the
imagination. The Wings Collection by artist
jtmuses will delight nature lovers. They are
a poignant reminder to us to keep on singing
and never give up!.*

GLIMPSES OF EDEN

*I believe there is an Eden in each of us,
which we visit in moments of true joy
and when we dream in spirit.*

I hope you will find joy in the gifts
I create from my art!
